

REMARKS

This amendment is submitted to add new dependent claims 103-114 which are identical to existing dependent claim 9 (except that they depend from different independent claims) and new dependent claims 115-124 which are identical to existing dependent claim 51 (except that they depend from different independent claims).

It is also to make claims 9, 10, 29, 30, 35, 40, 42, 47 internally consistent by replacing the words "who have no system based user name and password" at the end of these dependent claims with the words "without authentication credentials".

Since all of the foregoing amendments are understood to place the application in condition for allowance, their entry is submitted to be appropriate and is respectfully requested. It is respectfully submitted that claims 1-124 are in condition for allowance and it is requested that they be allowed.

Payment of \$550 for the 22 new dependent claims (103-124) is provided through a credit card authorization form accompanying this amendment.
